There is a lot to say about this female. She comes from longhorn Royalty! Not only is she sired by the iconic Rebel HR who produced the worlds highest selling longhorn female at \$750,000. Her dam (HR Forget Me Not) is also sired by Rebel HR. Line bred Rebel HR genetics can change any program. If that is not enough, she has a beautiful red and white paint bull calf at side by Trumpter. She is also Bred back to HH NEVER FORGET
