Beautiful color to match her 87" TTT of twisty horns at just a 6 yearold. She has a great frame and perfect udder attachment. Her sire goes back to Tempter, Texana Van Horne, and Field of Pearls. Her dam side goes back to Roundup who was a staple of the McGill program and the grandsire to Top Caliber. We are retaining an amazing heifer as her replacement sired by Rebel HR that is sure to turn heads in the future. She has a bull calf by Warlock
