HR Beasts Flower- This cow is an amazing unit. We think you will be impressed with her sheer size and capacity. Her sire "The Beast", was influential in adding so much substance to the McCombs herd. On her dam side, she goes back to Cowboy Chex and Bandara Chex as well as a dose of Trophy's First Lady, a gorgeous black and white very twisty horned cow. We are retaining two daughters of hers back in our program. We have her bred to
