Look at the color, bone, and femininity in this young cow. She is loaded up with breed greats. Her sire, 88" TTT CV Cowboy Casanova, sold for 100K as well as marked well over that in semen. His daughters command top dollar in the sale ring. On the dam side she goes back to JP Rio Grande, Poco Lady (Dam of Lady Monika), and Allen's Dark Cherry. Chick's offspring are Millennium Futurity eligible.
