Super well-made young female out of the Legendary Cowboy Tuff Chex out of our HR White Shield, who is also the dam to Warlock HR, and several other fancy calves. Her daughter HR Rebel Shield has a daughter from Jammin Tex that is phenomenal. HR White Shield is a maternal half-sister to HR Rescue Me that is also one of our foundation lines of females. We have her bred to Jammin Tex and she was 2 mos. pregnant 12-19-23.
