Reb's Delight is one of the largest TTT 24-month-old heifers we have ever raised. Rebel generated 1.3 million in sales in 2022 between private and consignment Sales. Her dam is a huge-horned daughter of JBR Net Worth, who is a bit of a hidden gem. We have her bred to Jammin Tex who has done very well on the daughters of Rebel HR, Cowboy Tuff Chex, and JBR Net Worth. This is not a gamble, it has been a proven cross time and time
